

H&S Policy

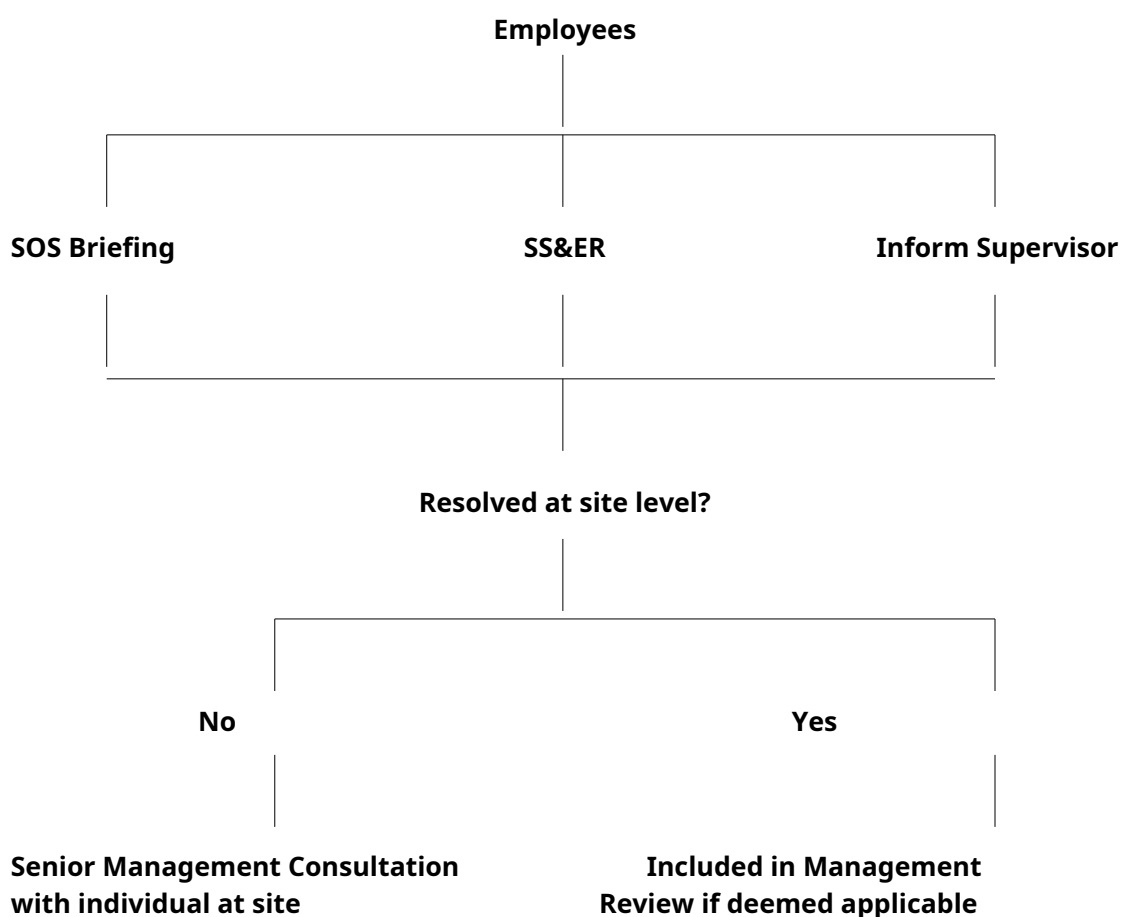

Our H&S policy illustrates our commitment to consultation with our workforce concerning H&S issues.

Consultation Process

At McCarthy Contractors (Bridgend) Ltd we have operated a relaxed system to allow easy consultation between our workforce and senior management.

There are a number of ways information can be shared, communicated so that H&S matters and issues are dealt with as appropriate.

Avenues of Consultation for Employees

It is not a McCarthy Contractor (Bridged) Ltd policy to consult with employees on H&S company system changes. Changes are however briefed to the appropriate individuals as required. If then there are concerns/issues with the changes these can be communicated back through the channels as illustrated above.
